

St. Augustine Macintosh Users Group (SAMUG)

MEMBERSHIP APPLICATION

SAMUG is a non-profit educational community organization. It provides members with information about Apple products and software for entertainment or education in the home or office. All residents of the community are welcome to attend monthly meetings and participate in discussions and the free flow of information. Members may participate in the User Group Store purchasing program.

Members will receive, via email, a monthly newsletter and other notices and announcements. If you do not have internet service, mail will be sent to your home address. For program information, meeting location, and other information, **visit our website:** <http://www.samug.org>.
