

## MEMBERSHIP APPLICATION

The St Augustine Macintosh Users Group (SAMUG) is a non-profit educational community organization. It provides members with information about personal computers in the home or office, for entertainment, education and for utility. All residents of the community are welcome to attend meetings and participate in discussion and the free flow of information.

Members receive a monthly newsletter, may participate in the User Group Store purchasing program. They will also receive a membership card and get special announcements concerning the personal computer activities or news of note.
