

## Notes used at SIG for iPhone iPad— by Judy Frick

These are just notes of things I use and or like. They are to remind you what to search for when you want to try using the same things.

### OS9. Notes

1. Can now store 12 apps in a folder.
2. Swipe in from side to see so apps exp. Messages. Mail. Photos.  
(settings---multitasking. Not iPhone only iPad)
